### **Bike night**

People need to take ownership for each section and meet/organise their own section  
Nav has hygiene certificate  
Piers was in charge of BBQ  
Did helmets make that much?  
Need crèche for the kids so more parents can volunteer, possible pay a professional?  
List of volunteers and what time they are working to and from  
Kathryn will look into costs for crèche  
Then send out letters to parents with volunteers list  
If you don't normally come and help, this is when we really need parents to help. Biggest school fundraiser.....  
More buckets needed. Placing is key  
Push BBQ back a bit, queuing is an issue onto road  
Claire and Soph, Kathryn will chat about what to do going forward with heading each section up  
Need more marshals desperately. Only 4% of needed have enrolled

### **Trips**

Budget should be set and we should stick to it to make it fair  
Two trips per school year, a number is agreed, set up separate account?  
Jeanette to set budget and we stick with it. Make a note of this so that everyone is clear.

**Play equipment quotes:** waiting for one more. Big spends on dismantling equipment, delivery and installation. Will get back to SPSA when third quote in to share.

Date of next meeting Tuesday 17th May.
