Lifeguard update: Clare

Clare is worried about lessons during school time. Chris Taylor (Loralei) might be available if he passes training.

A teacher, a lifeguard and a TA required for a swimming lesson (TA in the classroom with kids) Need to try to sort a way around this as not enough people around in the day to cover at present

Traffic calming:

Chicane being considered outside Red Lion with point to cross road

Governors meeting: Martin

Discussion on how to maximise the space. Governors to work with on next steps. Jeanette will contact Nigel. Martin can then arrange to meet. Scope out what we want to achieve, planning permission and costs

Climbing frame: lots of discussion regarding which items are suitable for our kids age range Will consult student council and possibly visit other schools and see what kids same age play on, how they play. Let's try to strike a happy medium between physical activity and imaginative play. Two meetings done, third in couple weeks time. Need three quotes to get funding thumbs up from EPA.

Disco: who needs to tick off names as kids come in? Jeanette has confirmed that a teacher needs to be in charge of this. Taking money is also a teachers responsibility
Rules regarding when little children have to leave if you have children in both sessions. Jeanette did this last time and let youngsters stay if they had older siblings in the second session.
Jeanette to use discretion regarding this. Move to week before Valentine's so kids aren't so tired? We did well comparatively with last 3 discos, made good amount. Bottled water and Freddie in shed.

50 club: only two numbers left to sell. Well done Catherine Chapman. Numbers already drawn by martin.

Easter: tea, coffee and cakes. Service at church at 1.15pm. 23rd March Wednesday. Do we want to do egg hunt? I'll buy the eggs with Kathryn. Tina Perrin will help serve. Ask Sandra Delafield.
Will ask Lorna about egg numbers to be hidden. And we are having a bonnet parade too!
